Learning Outcomes: To ensure all delegates

- Understand where young people are going online and why?
- Have more knowledge around safeguarding young people online and managing risk
- Know where to get resources and support from

Critical Thinking - The bed rock!

1. Who created the information
2. What else have they created
3. Are they already recognised or respected
4. Is it high quality
5. Do the images and videos look real?
6. Date?
7. Fact or opinion?
8. Why are they telling us these things?
